

The design of the street crib utilises an existing street vendor asset. The design modifies its function to perform both as a night-time storage facility and during working hours, a crib for the early months of a baby's life. They are currently manufactured by a street carpenter who will also offer the design modification.

## MULTI-PURPOSE STREET CRIB

IDENTIFYING APPROACHES FOR MOTHERS IN THE INFORMAL ECONOMY TO SUSTAIN THEIR LIVELIHOODS AND REMAIN HEALTHY AND FOR THEIR CHILDREN TO ACHIEVE THEIR DEVELOPMENT POTENTIAL
